

Food Company Limited

History

2004

Lavesta founders entered spice and baking aids industry.

2005

Lavesta Food Co. started exporting to supermarkets and distributors in Azerbaijan with Vesta brand.

2006

We initiated the production and export of traditional Turkish Delight, which is part of our dessert culture.

2015

The company established pizza spice production facility and began supplying spices to pizza chains as private label across Turkey.

2017

In response to foregin market demand, the company initiated the production of pickles, lemon sauce and pomegranate sauce at its facility in Manisa.

2020

The Lavesta company has expanded its export market to 20 countries.

Today

We provide services as a solution partner to companies seeking to work as private label in domestic and foreign markets.
